

Option Process for 2012/2013

Event	Comments
<p>Wednesday 1 February Year 8 and Y9 Assemblies. Option Letters out.</p>	<p>The subject information will be on the Academy website to read on-screen or to print as preferred. We are happy to print copies for students who are unable to do so. The feedback that we have had is that much of the information in the old style booklets was too complex and confusing so we have simplified it.</p> <p>Also on 1 February, there will be an Options Assembly in school to give some general guidance to students about subjects and to hand out the options forms. These will come home for students and parent/carers to start to consider, but no decisions need to be made at this point.</p> <p>The Chapter Assemblies at the start of February will include information from the on-site Careers Team as to how to meet with them and where. Tutors will attend these assemblies so they can remind students of the opportunities available to them.</p>
<p>Monday 6 February Options Fayre, 4.30-6pm Sports Hall</p>	<p>On 6 February the Options Fayre will have 'stalls' for all subjects, including Learning Support, for students and parents/carers to discuss the activities, demands and levels of specific courses. This is a general information evening based on a drop-in system.</p>
<p>Wednesday 8, Thursday 9 & Friday 10 February Year 8 one-to-one appointments</p>	<p>Following the Options Fayre all students will be given an appointment in school with a member of the Chapter Team who will advise, guide and assist with choices. This is a one-to-one meeting so that individual needs can be discussed.</p>
